SUPERIOR PORTIONED MEATS SINCE 1960

TO OUR VALUED CUSTOMERS:

WE REALIZE THE LAST FEW YEARS HAVE BEEN FRUSTRATING WITH OUR EXTENDED LEAD TIMES. AS YOU KNOW, THIS WAS CAUSED BY THE TRAGIC FIRE AT OUR EAST BENTON COOK FACILITY WHICH CONSEQUENTLY REDUCED OUR COOKING CAPACITY BY 33%.

GREAT NEWS!!!

Our new high-capacity cook line, which has been under construction over the last 8 months is expected to be entering the testing phase in mid-September. As we get closer to the line being fully operational, our reduced lead time communication should hopefully put smiles on your faces.

Our fully cooked Ground Beef (crumbles) and fully cooked Philly Steak, items that you enjoyed purchasing from us but were unable to since the fire, will begin to be phased back into our product offerings.

YOUR LOYALTY IS NOT TAKEN LIGHTLY

We certainly appreciate your patience and hanging in there through this challenging time. We will keep everyone informed as the line moves closer to completion.
